

## More about Bob Hunger, ofc

*It's never easy to say good-bye, yet with the help of St. Francis and his perspective of Sister Death, we can find hope and promise for eternal life. We are certain that Bob has been welcomed into God's heavenly kingdom...*

*One of the last times I saw Bob was at the Blessed Father Frederic fraternity's 2019 Christmas gathering at Gerry and Jackie Hache's house. We sang carols, and Bob was in fine form. I also think of his long-distance running events... he always trained hard... and now, he has truly run and completed a good race! We will miss him dearly.*

Shalom to all,  
Gerry (Spiritual Assistant, Blessed Father Frederic Fraternity)

*May he rest in peace with St. Francis and all the saints! Doug C*
